

# SOLID WOOD TABLE TOPS

## Price Sheet

---

### General Information:

All table tops are made to order with sizes available up to 6' wide and 17' long.

All pricing listed within this guide is for product only. Sales tax (MN purchases only) and shipping are additional.

Minimum Order is 50 square feet of table tops.

We recommend viewing a product sample before placing your order. Our samples are 12x12 and the first 2 are provided free of charge. Additional samples are \$30 each. Purchased samples can be returned within 14 days for a full refund. You are responsible for return shipping costs.

---

### Quantity Discount:

7.5% discount for orders of more than 100 square feet of table tops.

10% discount for orders of more than 300 square feet of table tops.

Discounts do not apply to bar tops.

---

### Payment Terms:

For orders under \$6,000, payment is due in full when the order is placed.

For orders over \$6,000, a 50% deposit is due when the order is placed. Balance is due prior to shipment.

Accepted Payment Methods: Check, Credit Card (Visa, MasterCard, Discover & American Express) & Wire Transfer

---

### Shipping:

We ship via freight carrier with the products packaged in a crate that is secured to a pallet. You will need to have someone available at the time of delivery to unload the crate and inspect the contents. Because we want to ensure that our tops are stored in a conditioned and temperature controlled environment, we will not ship to an unconditioned storage location. See your Quote and Shipping Services & Fees documents for details specific to your order.

---

### Installation:

All our tops are solid wood so bases can easily be attached directly to the bottom with screws. See our Installation & Care Guide for details.

 This symbol is used to denote products made from reclaimed wood.
